A background image showing four people in a meeting. A man with glasses and a plaid shirt is on the left, a woman with curly hair is in the center, a man with a beard and blue shirt is on the right, and a woman with dark hair is partially visible on the far right. They appear to be in a collaborative discussion.

CAPABILITIES OF STUDENT MANAGEMENT SYSTEM

Checklist

School Admin May Use All Database Capabilities Below

CAPABILITIES OF STUDENT MANAGEMENT SYSTEM

Checklist

Academics

Classes and Section

Create classes and section in school

Subjects

Add different types of subject

Study Materials

Add and distribute study materials to class

Attendance

Take date wise attendance of student

Noticeboard

Display recent notice using widget
